ON CONSULTATION

PRE COLOR

A simple sensitivity test will be required in advance on selected color services.

POST COLOR

A professional blow dry with a Stylist after any color, perm or treatment service without the addition of a haircut will be required at \$65. Alternatively, we are happy to offer you a blow dry with a Senior Assistant for \$25, based on availability.

TREATMENT MENU

We firmly believe that hair, just like skin, needs customized care to stay healthy and totally gorgeous. Whether it's brilliant shine or a sensuous soft touch you desire, our range of luxury treatments delivers bespoke care for your hair.

BECAUSE LUXURY IS

ITS OWN REWARD

NOURISHING | DRY OR UNDERNOURISHED HAIR

37

Sun exposure and pollution strip your hair of essential natural oils, leaving hair thirsty, brittle and dehydrated. Hair will be instantly revitalized with our long-lasting intensive moisturizing salon treatment, providing exceptional conditioning and restoring hair to its natural brilliant shine.

COLOR | LONG LASTING COLOR RADIANCE

37

Colored hair needs special care to ensure it retains its vibrancy and shine. Our salon color treatment conditions and protects hair without build-up, helping maintain long-lasting color radiance and intensity. Recommended after a color service to maintain long-lasting color radiance.

REPAIR | WEAK, DAMAGED OR STRESSED HAIR

37

With the increased use of styling appliances, a build up of styling products and over processing can result in damaged or stressed hair. Our salon repair treatment fortifies the hair fiber, with significant improvement in strength and resilience from roots to ends, protecting it from future damage.

DETOXIFYING | RECAPTURE HEALTHY HAIR

37

Over time, the environment, lifestyle and styling habits affect the health of the scalp and hair, causing stress and damage. Our detoxifying salon treatment will replenish the hair from within, while externally smoothing and revitalizing from root to tip, preventing premature ageing and leaving your scalp hydrated and your hair supple and manageable.

POST TREATMENT

A professional blow dry with a Stylist after any treatment service without the addition of a haircut will be required at \$65. Alternatively, we are happy to offer you a blow dry with a Senior Assistant for \$25, based on availability.

HOME CARE REGIMEN

We recommend a home care regimen to complement and extend the benefits of these innovative treatments above. Please ask your Stylist or Color Specialist for a personalized home care regimen.
